

U.S. NATIONAL LABORATORY FUKUSHIMA SUPPORT NETWORK

DOE receives Japanese Request for Information or
Technical Collaboration Regarding EM/NE Topics

Forward to National
Laboratory
Coordinators (LCs)

LCs share request with National Laboratory Points of
Contact (POCs) for consideration

LCs coordinate follow-
up telecon/ VTC with
relevant parties

as needed to
clarify and/or
address request

DOE/LCs Share National
Laboratory Input with
Japanese Requesting
Organization

Japanese organization
follows up with
Laboratory(s) POC(s) via
mutually agreed
mechanism for support
